Our consortium recently gathered for our **Final Meeting (Sarajevo, Bosnia-18.02.2026)**, bringing all partners together to reflect on our journey, discuss the final steps, and celebrate the successful completion of our shared goals. Over the past 24 months, we have worked to build a support structure for young social entrepreneurs across Albania (AL), Bosnia and Herzegovina (BA), and Kosovo (XK). From developing innovative gamified eLearning tools to hosting dynamic National Hackathons, we are incredibly proud of the impactful milestones we've reached together.

Wrapping up 24 months of social innovation!
